

STUDENT WORKSHEET 1: Historical Painting Analysis

Name _____

Date _____

Directions: Use the painting *Washington Crossing the Delaware* to complete this worksheet. In the first column, write down something you observe in the painting. In the second column, make an inference (assumption) based upon your observation. In the third column, identify a question that you have based upon your inference.

OBSERVATION	INFERENCE	QUESTION
1. I observed ice floating in the river	1. I inferred that it was very cold and possibly dangerous to cross the river	1. I questioned why these individuals decided to cross the river at that particular time
2.	2.	2.
3.	3.	3.
4.	4.	4.
5.	5.	5.
6.	6.	6.
7.	7.	7.
8.	8.	8.
9.	9.	9.
