

STUDENT WORKSHEET 2
THE THIRD REICH PLANS AN ATTACK

1. What skills did the German saboteurs possess? How would these skills have helped them to accomplish their mission?

2. What items did they bring with them? What did they do with their “baggage” once they landed?

3. What were some mistakes the saboteur made before and after reaching the United States shore?

4. What were some of the targets the Germans wanted to hit in America? Why would these places be important to the opposition’s war effort?

5. Why do you think George John Dasch reported the other saboteurs to the FBI?

6. What happened to the saboteurs?

7. What surprises you about this historical incident?
