

Teacher Guide to Student Worksheet 5-Venn Diagram

As with the compare/contrast chart, answers will vary widely, depending on materials used and student observations, but here are some key points which should be included:

ONE-ROOM ONLY	MODERN ONLY	SHARED
One-room	Many classrooms	Teacher-directed learning
No central heat/stove to heat/no AC	Central heat and AC	windows
One teacher	Many teachers	blackboards
	Computers/other technology	Written assignments
All grades together	Grade/subject divisions	Grading system/accountability/assessment
Hand-written report cards	Computer-based grading	Desks/chairs/tables
No running water in building	Water fountains/rest rooms	Books/textbooks
