

City Beautiful

In the early 1900's, Harrisburg looked a little different than it does now. Several people wanted to change that look.

The following slide shows a photo of Harrisburg taken from the railroad station close by.

**Do you like the look or would you like to change it?**

# What changes would you make?

- What do you notice about the area?
- Does anything seem to be missing?
- What would you like to add?
- Is there anything that you would like to take out?
- Would you live here?

# Your turn...your town

- Now, we are going to set up groups and you are going to try to change a part of our town.

Oh, and in case you were  
wondering...

Here is a more updated picture of Harrisburg  
that shows some of the area's changes...
