

## Student Worksheet 4– Political Cartoon Analysis Questions

*After your group has completed the Political Cartoon Analysis Chart (Student Worksheet 3), individually please answer the following questions.*

1. Did the documents reveal any common ideas and attitudes that Americans shared during 1919 and 1920? Explain your answer and provide at least one example from the documents.
2. What recent world events prior to 1919 could be causes of these attitudes? Explain how one of these events would contribute to Americans' concerns during this period.
3. Based on the sources of the documents, what generalization can be drawn about Americans' concerns during this period?
